**Senso White**

The background of the entire image is a close-up of a light-colored, possibly white or cream, surface with a complex, organic pattern of veins and swirls in shades of beige, tan, and light brown. This pattern resembles natural stone like marble or a high-quality ceramic glaze. The veins are irregular and flow across the frame, creating a sense of depth and texture.

## Spring Gray

Infused with passion  
for design.

The background of the entire image is a high-resolution photograph of a marble surface. It features a complex, organic pattern of veins in shades of light beige, cream, and pale grey, interspersed with thin, flowing lines of golden-brown and tan. The overall effect is one of natural elegance and sophisticated texture.

**Volkas White**

The background is a high-resolution image of a marble surface. It features a complex pattern of veins in various shades of grey, black, and brown, set against a light cream or off-white base. The veins are irregular and organic, creating a classic marble effect. The lighting appears to come from the top left, casting soft shadows and highlighting the texture of the stone.
